## John Schuler Is Buried By Firemen

The funeral of John Schuler was held last Tuesday, the Wrangell Fire Department having charge of the burial. Mr. Schuler came to Wrangell in 1898 and has lived here continually since. Little is known of his life before he came to Wrangell. He has always worked as a plumber and tin smith and until a few years ago he was an employee of the St. Michael Trading Co. when he started in business for himself which up until the time of his death he had conducted.

Mr. Schuler was of German descent and according to some of his friends he came to America when about thirteen years old. He is believed to have relatives living in St. Paul.

Mr. Schuler was believed to be about forty five years old. The remains were laid to rest in the Red Men's cemetery. Mr. Schuler leaves many friends who mourn his untimely death and the Wrangell Fire Department bestow an honor that is pleasing to his memory.

The U. S. coast and geodetic survey vessels Gedney and McArthur were sold last week, being no longer useful to the government.

The gasboat Penguin arrived in port Monday evening and reported the loss of the schooner Volante on Wednesday night of last week while off Wilson Cove, in Chatham Straits.

## If Your Girl Goes With some one Else Try This

Rockford, Ill., Jan. 16—"When a guy goes with a girl and tries to show her a good time and spend all his hard-earned money on her and then she goes with another fellow she ought to pay the other fellow for what he spent on her."

This is the philosophy of Chas. Crase of Freeport, who made a "cost system" for love-making and presented the same to Miss Myrtle McMinn, a local belle. The bill shows the following indebtedness:

Dear Friend Myrtle: I hope you a long and happy life and many of them, also for your new fellow. You got to stick to him and forget all about me. I never will bother you. I can't think why you tore up my picture. Well, I guess I will close as a friend.

Your amount to my debt is:  
I let you have 50 cents.  
I let you have 10 cents.  
I let you have 5 cents.  
I let you have \$1.  
For trip to Lena \$1.  
Took you to circus, \$1.  
For taking you to shows \$1.40.  
For your birthday, 75 cents.  
Pay me before I send an order for it.

Miss McMinn, being still a maiden, the statement has fallen into the hands of her father, who announces he is pleased his daughter and Crase are no longer sweet hearts and that the courtship ceased before the expense of rail fares, jitney fares, etc., which usually take place in the summer, were added to the expense account.

Mrs. Wm. Lewis has been on the sick list the past week.

A good show at the Wrangell Photoshow tonight.

Harry Ferguson is a la grippe sufferer this week.

G. M. Scott, the well known commercial man is calling on Wrangell merchants.

Chas. Hollansbee returned from his honey moon trip to Petersburg.

The Karen made a trip to Petersburg this week with a party of commercial men.

Mrs. Wm. Lewis will re-open her bakery, next door to the T. T. store, the first of next week.

The tender Lake Bay came in from Lake Bay last Tuesday. Ten passengers came in on her from that place.

Dr. Pigg passed over the mystic trail of the local camp of the Arctic Brotherhood last Wednesday evening having arrived safely at the end of his journey he is now a full pledged A. B.

Mrs. William Royalty arrived on the Jefferson from an extended visit with her mother in Bellingham, Wash. She is accompanied by her little son Hughie. They will leave on the next boat for their home at Craig.

Wrangell is certainly getting her share of rotten mail service this winter, averaging about one mail a week and the boats seeming to like it so well all want to arrive here in a bunch and to top it all off the Alameda, on her last trip north, carried through five sacks of paper mail which she left at Juneau and was returned on the Spokane.

Mrs. Arthur Leonard was a returning passenger on the Jefferson and will visit friends in town for a while before going to her home at Calder.

The Wrangellites felt a thrill of pleasure last Friday evening when the good ship Spokane sounded her whistle in Wrangell harbor on her first trip since last fall.

The Uncle Dan left for the West Coast Monday afternoon and took the following passengers: Arthur Leonard, Mike Wallace for Calder and Dave Oliver, Ed Dunn for Klawack.

### \* RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1 oz. of glycerine. Apply to the hair once a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and restores sandruff. It is especially good for falling hair and will make hair soft and glossy. It will not color the skin, is not sticky or greasy, and does not rub off.

The Hand He Held.  
Fragments of conversation drifted in from the billiard room, where the husband and his friends were enjoying their cigars. "I called," said the husband happily, "and when it came to a showdown as to who was the winner, why, the other fellow simply didn't have a chance! And so I stretched out my hands and gathered in that which really gave me my start. I think that I did better that night than any man in our crowd has ever done. Ah, what a hand I held! I always recall that night with thrills of pleasure."  
The young wife slipped away, her face dyed with a deep pink. "The old dear is telling Mr. Blunker how he cut out Freddy Blunker and made me say 'Yes,'" she whispered to herself. "Isn't he just perfect!"—Puck.

Power of Signal Lights.  
In tests of oil lamps as weather signals at night, reported by G. I. Hida from the Japanese meteorological station at Hamada, it has been found that the light of flat wicks is much brighter at a distance than that of round wicks and that the range of red lights is about double that of green. The latter became practically invisible at two miles, while red lights were still bright at three miles.

## Why this man bought a Remington Junior Typewriter

"I have been investigating several of the recent makes of machines, seeking for one of simple construction for ordinary manuscript and letter writing. I was nearly ready to buy a machine of another make when I just happened to see for the first time the Remington Junior, and found it to be the very thing I wanted."

The man who wrote this is the postmaster of a small Southern town. He is only one of thousands who have recently bought a Remington Junior. But his reasons apply to everybody—they apply to YOU.

The Remington Junior is our latest product and the latest idea in typewriting.

It is strictly a high-grade machine.

It has the Remington Name, the Remington Guarantee, the Remington Quality—everything Remington except weight and bulk.

A "Simplified Remington" describes it exactly.

And its price is \$50.00

Remington Junior Typewriter will be sent "on examination," without obligation to purchase.

Easy payment terms can be arranged if desired.
